Turkey Quota Order, amendment*

Regulation 51/2000
Registered May 1, 2000

Manitoba Regulation 258/87 amended

1 The Turkey Quota Order, Manitoba Regulation 258/87, is amended by this Order.

2 Subsection 3(4) is repealed and the following is substituted:

3(4) Any individual who and any Hutterite Colony which wishes to become a registered producer may make application to the Board that the applicant's name be added to a waiting list of the Board for the allotment of a quota, a basic allotment, a new base, and a market allotment for each category of turkey the applicant wishes to raise or keep. Each application shall be in writing in a form prescribed by the Board, must be signed by the applicant and accompanied by the processing fee established by the Board, and must be forwarded to the head office of the Board.

Any waiting list established by the Board prior to July 31, 2000 shall cease to have effect on that date. The Board will establish a new waiting list to be effective from the period beginning August 1, 2000 and August 1 of every fifth year thereafter, with each such waiting list terminating 58 months after it became effective (the "allocation period"). Applications to be placed on a waiting list to be effective after July 31, 2000 will be accepted between June 1 and July 31 in 2000 and between June 1 and July 31 in each year following each allocation period (the "application period"). Following each application period the Board will draw 30 names from the applications received following the application period and will establish a waiting list for the allocation period in the order in which such names were drawn. At the end of each allocation period the waiting list shall be cancelled and a new waiting list shall be established.

In the event the Board offers to allot a quota, a basic allotment, a new base, and a market allotment for a category of turkey to an applicant on the waiting list and such applicant does not accept the terms and conditions proposed by the Board in making such offer within the time specified by the Board, or in the event a person fails to comply with any term or condition established by the Board in making such offer or allotment to the applicant, the Board may withdraw such offer and allotment and may delete such applicant's name from the waiting list.

*This order is made under the *Manitoba Turkey Producers' Marketing Plan Regulation*, Manitoba Regulation 248/87 R and is Order No. 1, 2000 of Manitoba Turkey Producers.

No individual and no Hutterite Colony shall be eligible to be on a waiting list under this subsection if that individual or that Colony is or at any time has been a registered producer or has had an interest, direct or indirect in a registered producer. For the purpose of this provision any person who is or was a partner or a shareholder of an entity that is or was a registered producer at a point in time shall be deemed to have an interest in that registered producer at that time.

The fact that

(a) the parent of an individual is or at any time has been a registered producer or has had an interest, direct or indirect in a registered producer; and

(b) a Hutterite Colony was established from the membership of a Hutterite Colony which is or at any time has been a registered producer or has had an interest, direct or indirect in a registered producer,

shall not in itself disqualify an individual or a Colony from being eligible to be on a waiting list under this subsection.
