Chicken Broiler Quota Order, amendment*

Regulation 96/2001
Registered June 26, 2001

Manitoba Regulation 298/89 amended

1 The *Chicken Broiler Quota Order*, Manitoba Regulation 298/89, is amended by this regulation.

2 Section 4 is repealed and the following is substituted:

Allocation to new entrants

4 From time to time the Board may select an individual or a Hutterite Colony to become a registered producer and may offer to allot a quota, basic allotment, and a market allotment for a category of chicken broiler to such person. In selecting such persons the Board may establish a system for receiving applications from such persons and a method of selecting such persons from among the applicants. Each application shall be in writing in a form prescribed by the Board and must be signed by the applicant and accompanied by the processing fees established by the Board, and must be forwarded to the head office of the Board.

In the event the Board offers to allot a quota, a basic allotment, and a market allotment for a category of chicken broiler to a person, and such person does not accept the terms and conditions proposed by the Board in making such offer within the time specified by the Board, or in the event a person fails to comply with any term or condition established by the Board in making such offer or allotment to the person, the Board may withdraw such offer and allotment.

No individual and no Hutterite Colony shall be eligible to be selected for an allocation under this section if that individual or that Colony is or at any time has been a registered producer or has had an interest, direct or indirect in a registered producer. For the purpose of this provision any person who is or was a partner or a shareholder of an entity that is or was a registered producer at a point in time shall be deemed to have an interest in that registered producer at that time.

* This order is made under the *Manitoba Chicken Broiler Producers' Marketing Plan Regulation*, Manitoba Regulation 241/87 R and is Order No. 3, 2001 of Manitoba Chicken Producers.

The fact that

(a) the parent of an individual is or at any time has been a registered producer or has had an interest, direct or indirect in a registered producer; and

(b) a Hutterite Colony was established from the membership of a Hutterite Colony which is or at any time has been a registered producer or has had an interest, direct or indirect in a registered producer,

shall not in itself disqualify an individual or a Hutterite Colony from being eligible to be selected under this section.
