The Manitoba Council may appoint Members of its Staff to act as observers and auditors of each Retirement and Annual Table Potato Quota Reallocation Program.

Except as provided in subsection 7(14) and section 15 of this Schedule and to the extent necessary to provide the notices under subsection 7(8) or as otherwise required in this Schedule, all particulars with respect to an individual Offer or to an individual Bid shall be kept confidential by the Designated Staff and Manitoba Council observers and auditors, and shall not be disclosed to the Members of the Board, Board staff who are not Designated Staff, or any other person whatsoever.

Each retirement payment paid to a successful offeror will be paid on 90% of the quota units cancelled (see section 10 re Transfer Assessment).

**Retirement and annual table potato quota allotment reallocation program procedures**

**7(1)** Upon receipt of an Offer, the Designated Staff shall operate a Retirement and Annual Table Potato Quota Reallocation Program for that Offer on or before the last business day of the month following the month in which notification of receipt of the Offer was given by the Board to eligible producers and eligible persons.

**7(2)** For greater certainty, the Board may operate a Retirement and Annual Table Potato Quota Reallocation Program for more than one Offer during the same period of time.

**7(3)** Designated Staff may cancel, or may postpone, for up to 14 days at any time, the operation of any Retirement and Annual Table Potato Quota Reallocation Program for an Offer for any reason they deem advisable.

**7(4)** A person wishing to submit an Offer must do so in writing, by letter, in a form satisfactory to the Designated Staff, to the Board's head office, which must be received between September 1st of one calendar year and March 31st of the following calendar year.

**7(5)** Each Offer must include any necessary application fee established by the Board for processing an Offer, together with the following information:

- (a) the name, address and signature of the offeror;
- (b) the Producer Registration Number of the offeror;
- (c) the number of quota units offered for cancellation;

(h) an acknowledgment that in the event that Bids received for a Program are less than the number of quota units offered for cancellation on that Program, the Offer of the offeror may be reduced to a lesser number.

The Designated Staff may require an offeror to provide proof of the consent of any secured creditor of the offeror to the submission of such Offer.

**7(6)** An Offer which would result in the remaining annual table quota of a type allocated to that offeror being reduced to a level below 6,000 75-pound bags of that type will be rejected by the Designated Staff unless the offeror is offering to cancel all quota units of that type allocated to the Offeror.

**7(7)** No Offer of less than 6,000 quota units of a type will be processed unless the offeror has been allotted an annual table quota of less than 6,000 75-pound bags of table potatoes of that type, in which instance the offeror must offer to cancel all such quota units of that type.

**7(8)** Upon receipt of one or more Offers in an acceptable form during any calendar month between September 1st of one calendar year and March 31st of the following calendar year, the Designated Staff shall cause a notice to be mailed, faxed or e-mailed to each eligible producer and each eligible person indicating the fact that an Offer has been received; the Effective Retirement Payment per quota unit which an offeror is willing to accept upon cancellation of the quota units offered for cancellation for each Offer; the number of quota units offered for cancellation for each Offer; the type of quota units offered for each Offer; and the Reallocation Day. The notice may contain such other information with respect to each Offer and the options available to the registered producer as the Designated Staff deems appropriate.

**7(9)** An eligible producer or an eligible person wishing to submit a Bid on a Retirement and Quota Reallocation System with respect to any Offer must do so in writing, by letter, to the Board's head office, in a form satisfactory to the Designated Staff, which Bid must be received by the Designated Staff prior to 4:00 p.m. on the last working day before the month in which the proposed Retirement and Annual Table Potato Quota Reallocation Program is to be held.

Each Bid for the allotment of quota units must be for the type and for the total number of quota units offered for cancellation.

In addition to the above disclosure, each Bid on a particular Retirement and Annual Table Potato Quota Reallocation Program must include the following information:

(a) the name, address and signature of the bidder;

(b) the Producer Registration Number of the bidder, where applicable;

(c) the Offer to which the Bid is applicable;

(d) the administration fee which shall be equal to the Effective Retirement Payment per quota unit set out in the notice referred to in subsection 7(8) for the number of quota units comprising the Bid;

(e) an acknowledgement that the bidder is prepared to accept less than the number of quota units comprising the Bid;

(f) an acknowledgement, in the case of an eligible person, that the Bid will not be valid if the number of quota units available for allocation to successful bidders upon the initial operation of a Retirement and Annual Table Potato Quota Reallocation Program would result in an annual table potato quota to be allotted to such eligible person being less than 6,000 75-pound bags of table potatoes;

(g) an acknowledgement, in the case of a registered table potato producer, that the Bid will not be valid if the number of quota units available for allocation to successful bidders upon any operation of a Retirement and Annual Table Potato Quota Reallocation Program would result in an annual table potato quota to be allotted to such registered producer being less than 6,000 75-pound bags of table potatoes of that type; and

(h) an acknowledgment that the Bid will not be valid if the number of quota units requested when taken together with the number of quota units comprising the bidder's quota exceeds maximum quota.

In order for a Bid to be eligible to be processed on a Program, the bidder must submit a separate bank draft or credit union primary order (or other method of payment acceptable to the Designated Staff) payable to the Board representing the full amount of the administration fee such bidder proposes to pay in connection with that Bid which must be received at the Board's head office no later than 4:00 p.m. of the last working day before the month in which the proposed Retirement and Annual Table Potato Quota Reallocation Program is to be held.

**7(10)** In the case of an omission or defect in a Bid or in an Offer the Designated Staff may not make changes or additions to such Bid or Offer, and the Bid or Offer will be rejected. A member of the Designated Staff shall attempt to contact the bidder or offeror and to advise such person of such rejection. The fact that a Bid or an Offer is rejected shall not preclude the bidder or offeror from submitting a subsequent Bid or Offer.

**7(11)** A Bid may be amended or withdrawn, provided such withdrawal or amendment is in writing and in the form of a letter satisfactory to the Designated Staff, sent by the bidder, and is received at the head office of the Board prior to 4:00 p.m. of the last working day before the month in which the proposed Retirement and Annual Table Potato Quota Reallocation Program is to be held. Such withdrawal or amendment must be clear and unambiguous and must identify the bidder by name and by Producer Registration Number, where applicable, and must specify the Bid that is to be withdrawn or amended.

Any Bid which is received after any deadline for submission for that Program will be rejected by the Designated Staff.

No Bid of a type will be accepted if the number of quota units offered for cancellation is less than 6,000 75-pound bags of table potatoes unless the bidder has already been allocated an annual table potato quota of that type.

No Bid will be processed if the number of quota units comprising the Bid, when aggregated with the quota units allocated to such bidder, would exceed maximum quota.

**7(12)** As provided in section 67.2 of this Order, the Designated Staff may refuse to accept or may postpone processing of any Bid or any Offer. Any decision to postpone the processing of a Bid or an Offer, or to reject a Bid or Offer made by the Designated Staff shall be final. The Designated Staff may also establish terms and conditions before a Bid or an Offer will be processed in the future. Any person who is not satisfied with the terms and conditions established by the Designated Staff before a Bid or Offer will be processed in the future may appeal such decision in writing to the Board.

**7(13)** On each Reallocation Day, the Designated Staff shall qualify all valid Bids with respect to each Offer.

If there is more than one valid Bid with respect to an Offer the amount available for allotment shall be apportioned among all such eligible bidders in equal amounts, provided that any Bid received from an eligible person shall be rejected if the amount available for allotment among such eligible bidders is less than 6,000 75-pound bags of table potatoes (and, following such rejection, the Designated Staff shall recalculate the amount available for allotment amongst all remaining eligible bidders in equal amounts); and further provided that upon recalculation any Bid received from a registered table potato producer bidder shall be rejected if the amount available for allotment amongst the remaining eligible bidders is less than 6,000 75-pound bags of table potatoes and such bidder has not been allocated a table potato quota of that type.

**7(14)** Following the operation of a Retirement and Annual Table Potato Quota Reallocation Program for an Offer, the Designated Staff shall report to the Board particulars of the Offer, the number of Bids received, and particulars of the successful Bids. The Board will review such report and if satisfied, in its sole discretion, that there have been no irregularities or deficiencies in the operation of that Retirement and Annual Table Potato Quota Reallocation Program, the Board may pass a resolution to accept such results.

Following the acceptance of the results of a Retirement and Annual Table Potato Quota Reallocation Program for an Offer, the Board will pass a resolution to allot quota units to the successful bidder and to cancel quota units of successful offerors in order to implement such results.

The allotment of quota units of a type to a successful bidder who is a registered table potato producer will be effective as of the first day of July after the date on which the results of a Retirement and Annual Table Potato Quota Reallocation Program were accepted by the Board and shall be applicable to the marketing of table potatoes harvested after such effective date.

The allotment of quota units of a type to a successful bidder who is an eligible person will be effective upon the first day of July after the date on which the results of a Retirement and Annual Table Potato Quota Reallocation Program were accepted by the Board, provided that such allotment shall only be applicable with respect to crop grown by that successful bidder during the crop year commencing on such date.

The cancellation of quota units of a type allotted to a successful offeror will be effective as of the last day of June after the date on which the results of a Retirement and Annual Table Potato Quota Reallocation Program were accepted by the Board, provided however that the offeror shall be entitled to continue marketing table potatoes of that type after such date, provided those table potatoes were produced in the prior crop year and are of an acceptable quality, under the systems operated by the Board.

**7(15)** Following the Board's consideration of the results of a Retirement and Annual Table Potato Quota Reallocation Program, each participant in the Retirement and Annual Table Potato Quota Reallocation Program will be advised in writing by the Designated Staff whether such participant's Offer or Bid was successful, and if the Bid or Offer was successful, and if successful, the effective date of the allotment or cancellation.

**7(16)** All funds submitted by unsuccessful bidders as proposed administration fees will be returned to such bidder.

All surplus funds submitted by successful bidders as proposed administration fees will be returned to such bidder.

**Retirement fund**

**8(1)** All administration fees paid to the Board by successful bidders will be allocated to the Retirement Fund.

**8(2)** All retirement payments made by the Board to successful offerors will be paid from the Retirement Fund.

**Transfer assessment and transfer assessment pool**

**9(1)** Each Offer shall be deemed to be reduced by a Transfer Assessment equivalent to 10% of the quota units offered for cancellation. In the event such calculation results in a fraction, the Transfer Assessment shall not include such fraction.

**9(2)** If an Offer is accepted, in whole or in part, as provided herein, the Transfer Assessment shall be credited to the Transfer Assessment Pool.

**9(3)** The Transfer Assessment Pool will be maintained on a gross 75 pound bag basis, without distinguishing types.

**Allocation from the transfer assessment pool**

**10(1)** The quota units credited to the Transfer Assessment Pool may, from time to time, be allocated by the Board as follows:

(a) a total of 50% to eligible producers who have applied in writing for an increase in their annual table quota during the application period commencing December 1, and terminating December 31 of the previous calendar year, in equal numbers of quota units, provided that the quota units allocated to an eligible producer shall not be increased above maximum quota; and

(b) a total of 50% to those persons who are on the waiting list referred to in section 4 of this Order, in the order of priority set out on such waiting list, in amounts of 6,000 quota units each.

**10(2)** Applicants who are allotted quota units pursuant to clause (1)(b) shall be eligible to request allocation of additional quota units in subsequent allocations pursuant to clause (1)(a).

**10(3)** A person who receives an allotment under clause (1)(b) shall not be entitled to submit an Offer which would result in the annual table quota allotted to such person being reduced below 6,000 75-pound bags of a type of table potatoes for a maximum of five years from the date of such allotment.

**10(4)** An eligible producer may be a successful bidder and may receive an allotment of quota units under clause (1)(a) on the same Reallocation Day.

**Type and effective date of allocation from pool**

**11** In making an allocation from the Transfer Assessment Pool, the Board will specify the type of such allocation and the effective date of the allotment.

**Five year moratorium re new producers**

**12** In the event a person is allotted an annual table quota (the "initial allotment") and becomes a registered table potato producer pursuant to an application to the Board under section 4 of this Order, such person shall not be entitled to submit an Offer which would result in the annual table quota allotted to that person being reduced below the initial allotment for a minimum of five years from the date of such initial allotment.

**Five year moratorium re bidders**

**13** A successful bidder will not subsequently be eligible to receive a retirement allowance in connection with the cancellation of the equivalent number of quota units under the System if all quota units allotted to such producer are cancelled within five years of such successful Bid. In the event such person subsequently submits an Offer of all quota units allotted to such person during such five-year period, an equivalent number of quota units shall be debited against the number of quota units offered, so that the offeror will only be entitled to receive a retirement payment with respect to 90% of the balance of such quota units, and the quota units so debited shall be credited to the Transfer Assessment Pool.

**Notification lists**

**14** Any person who is not an eligible producer and who wishes to participate in a Retirement and Annual Table Potato Quota Reallocation Program as a bidder may request in writing, in such form as the Board may prescribe for such purposes, that such person's name be added to the Notification List.

Any person added to the Notification List shall be deleted from that List one year after being added to such List. A person on such List may request, in such form as the Board may prescribe for such purposes, that such person's name be included on such list for a further one year period, provided such application is made not earlier than one month prior to the date upon which such person's name would otherwise be deleted from such List.

**Five year moratorium re increased annual table quota**

**15** In the event a person is allocated an increase in annual table quota under section 8 of this Order, such person shall not be eligible to receive a retirement payment in connection with the cancellation of the equivalent number of quota units under the System within five years of such increase. In the event such person submits an Offer of quota units allotted to such person during such five-year period, a number of quota units equal to the number of quota units allocated to such person under section 8 of this Order within such five-year period shall be debited against the number of quota units offered, so that the offeror will only be entitled to receive a retirement payment with respect to 90% of the balance of such quota units, and the quota units so debited shall be credited to the Transfer Assessment Pool.

**Information**

**16** The Board will forward to each eligible producer, in a form approved by the Manitoba Council, within fifteen days following Board approval, the results of the Retirement and Annual Table Potato Quota Reallocation Program.
