

**Schedule E**

**(Certificate of an Enforcement Officer – Speeding Offence)**

(Subsections 7(1) and (4))

[This certificate corresponds to Ticket # \_\_\_\_\_ respecting a violation of s. 95(1) of *The Highway Traffic Act*]

I \_\_\_\_\_, an enforcement officer within the meaning of *The Provincial Offences Act*, acting on behalf of the municipality of \_\_\_\_\_ state that:

I have reviewed the images captured by an image capturing enforcement system (intersection safety camera system) that was operating at \_\_\_\_\_ Street/Highway at or near \_\_\_\_\_ Location in the Province of Manitoba and was capturing images of vehicles proceeding \_\_\_\_\_ Direction at that location.

The image capturing enforcement system (intersection safety camera system) operating at the above referenced location is a \_\_\_\_\_ Name of System, with serial number \_\_\_\_\_, which is a device approved by the Minister under Manitoba Regulation 220/2002.

Pursuant to *The Highway Traffic Act* and *Regulations* the maximum allowable speed is \_\_\_\_\_ kilometers per hour at the above referenced location.

The images I reviewed were captured on \_\_\_\_\_ DD MM YYYY at \_\_\_\_\_ Time (24 hour clock).

As a result of my review of the images captured respecting a motor vehicle \_\_\_\_\_ Make/Colour/Year with \_\_\_\_\_ Province licence plate number \_\_\_\_\_ and registered to \_\_\_\_\_, I made the following observations:

Speed of vehicle at time of first image \_\_\_\_\_ km/hour

Distance used in determining the vehicle's speed \_\_\_\_\_ cm

Time elapsed between images \_\_\_\_\_ seconds

Lane number \_\_\_\_\_

The images to which this document is appended are the images that I reviewed and are reproductions of the images obtained through the use of the above referenced image capturing enforcement system and correspond to violation number \_\_\_\_\_, as indicated on the images.
