
THE FARM PRODUCTS MARKETING ACT
(C.C.S.M., c. F47)

Cream Marketing Information Order*

Regulation 159/90
Registered July 9, 1990

Books, records and inspection re cream

1 Every person engaged in the marketing of cream within Manitoba shall:

- (a) keep and maintain complete and accurate books and records of all matters relating to such marketing,
- (b) retain the books and records described in clause (a) for at least two years from the date they are made, and
- (c) at all times permit any authorized representative of this Board to inspect such books and records and facilitate such inspection.

Requested cream marketing reports

2 Every person engaged in marketing cream within Manitoba shall upon request from this Board promptly report to the Board such information respecting the marketing of cream as the Board may request; and without restricting the generality of the foregoing, shall fill in and deliver to the head office of the Board within seven days of request from the Board a report on such marketing in the form prescribed by the Board containing the information and data indicated thereon, properly certified as accurate.

Monthly utilization reports re processors

3 Every processor shall forward to the head office of this Board, within fifteen days following the last day of each month, a report for each processing plant operated by it, in the form prescribed by the Board, setting out:

- (a) the form, quantity, butterfat content, grade and vendor of each container of cream received in each such plant during the previous month;
- (b) the quantity and type of all cream and all dairy products located in each such plant as of the first day of the previous month;

* This Order is made under the *Cream Marketing Plan Regulation* being Man. Reg. 134/90 and is Order 2/90 of The Manitoba Milk Producers' Marketing Board under that Regulation.

(c) the quantity and type of all cream and all dairy products produced in each such plant during the previous month;

(d) the quantity and type of all cream and all dairy products marketed from each such plant during the previous month;

(e) the quantity and type of all cream and all dairy products located in each such plant as of the last day of the previous month;

and such other information and data indicated thereon, properly certified as accurate.
