PART 2

ALLOTMENT OF QUOTA

Application for registration as a producer

2 A person may apply to the Board for registration as a registered producer.

Criteria for registration as a producer

3 Each applicant for registration as a registered producer must meet the following criteria:

(a) the applicant must be the registered owner or the sole operator of a dairy farm that meets all of the requirements for buildings, equipment, operation, and herd health set out in *The Dairy Act* and the regulations made under that Act;

(b) the dairy farm referred to in clause (a) of the applicant must be in an acceptable location for milk pick-up and must meet the Board's driveway policy; and the applicant must agree to pay to the Board the transportation charges to be applied to his deliveries basis the monthly pick-up charges established from time to time; and

(c) if the applicant is a new producer, the applicant must be entitled to be allotted a daily quota of at least 1 kilogram of butterfat per day.

List to indicate daily quota

4 Subject to the provisions of this order, a registered producer's daily quota shall be equal to the number of kilograms of butterfat per day shown opposite his name under the column "daily quota" on the list of registered producers approved by the Board on the 30th day of July, 1991, as same may be amended by resolution of the Board from time to time to reflect alterations or additions or deletions to same.

Amendments to list

5(1) The Board may also, by resolution, amend the list referred to in section 4 from time to time to

(a) increase or decrease the daily quota of registered producers on a pro rata basis (or on such other basis as may be determined by the Board) to reflect the share of the estimated Canadian requirements for milk available for production in Manitoba in any period of time;

(b) as provided in this Order; or

(c) to otherwise distribute equitably among registered producers a share of the market for milk anticipated to be produced in Manitoba.

5(2) The Board may also increase the daily quota of each registered producer (or of the person to whom the daily quota of such producer was re-allotted under Part 11) by the number of kilograms shown opposite that producer's name on the list referred to in section 4 under the column "cutback" as same may be amended from time to time.

5(3) In the event that a producer does not fill 98% of his daily quota in the month that it is issued, that portion of unused daily quota that is the difference between the producer's total production for the month and 98% of the producer's total monthly quota shall be set aside as unused quota credits. Unused quota credits may be made available to the producer in a future month when his production exceeds the producers quota.

No registered producer shall hold more than 30 times his daily quota as unused quota credits at any time. Any quota credits in excess of 30 times his daily quota that are the result of under-utilization of quota shall be subject to the provisions of section 6, section 7 and section 11 hereof.

5(4) The Board may, upon special request by a registered producer, grant special quota credits in addition to that producer's daily quota and unused quota credits in circumstances where the registered producer has suffered a catastrophe. Any special quota credits granted by the Board shall be granted subject to specific terms and conditions to be set by the Board at the time such credits are granted and may be used by the registered producer when his production in any month exceeds 30 times his daily quota.

PART 3

REDUCTION OR CANCELLATION OF DAILY QUOTA

Reduction of daily quota for anticipated undermarketings

6 The daily quota of a registered producer may be reduced for the balance of a dairy year if such producer's marketings during a portion of that dairy year are such that the Board anticipates that such producer will not market a quantity of butterfat in the form of milk during that dairy year equal to the total amount of butterfat in the form of milk he is entitled to deliver pursuant to his daily quota.

Cancellation of daily quota for failure to market

7 Where a registered producer fails to market milk through the Board for two consecutive calendar months, the daily quota allotted to such producer may be cancelled by the Board.

Relief from cancellation

8 The Board may exempt a registered producer from the provisions of section 6 and section 7 or otherwise modify the impact of same, if such registered producer

(a) has received permission from the Board in writing, because of major repairs and/or renovations to his facility, to temporarily curtail milk marketing, provided a written application for such permission has been received by the Board at least one month in advance of the commencement of such major repairs and/or renovations;

(b) was unable to market all of his milk because such milk did not meet the standards established by the Board for acceptable milk, provided satisfactory proof as to the quantum of such milk and its disposal is submitted to the Board in writing;

(c) was unable to market a quantity of milk because of a catastrophe. For the purpose of this clause a catastrophe must be a situation over which the producer has little or no control and which suddenly affects the production of his dairy cows. A catastrophe may include a severe illness or the death of a principal day to day operator of the milk production business, the sudden death of a significant portion of a dairy herd, the destruction of a producer's facilities by fire or some other cause beyond his control, a severe infection of the dairy cows in his herd by an uncontrollable disease or disease which requires the slaughter of the dairy cows by public health authorities. The producer must apply to the Board in writing as soon as reasonably possible following such event;

(d) has received permission from the Board in writing, to reduce or close down his facility as a result of a notification to the Board in writing that he plans to offer the daily quota allotted to him on the Monthly Quota Exchange System, subject to such terms and conditions as the Board may establish at the time such permission is granted; or

(e) has otherwise obtained permission from the Board in writing to reduce his marketings for a period of time, subject to such terms and conditions as the Board may establish at the time such permission is granted.

Cancellation of daily quota on retirement, death, winding up, etc.

9(1) The Board may cancel a daily quota in the event of the death of a registered producer, the winding up or dissolution of a registered producer that is a corporation, or the dissolution of a registered producer that is a partnership.

9(2) The Board may also cancel the daily quota allotted to a registered producer in the event a registered producer receives permission from the Board under clause 8(d) or 8(e) and fails to meet the terms and conditions established by the Board in granting such permission.

Cancellation of daily quota on cancellation of registration

10 The daily quota of a person shall be automatically cancelled in the event he ceases to be a registered producer.

Other reduction or cancellation of daily quota

11 The Board may suspend, reduce or cancel, either on a temporary basis or on a permanent basis, a daily quota

- (a) as set out in this Order;
- (b) where a registered producer has failed to comply with any regulation, order, or directive of the Board;
- (c) where a registered producer has failed to comply with the regulations under *The Dairy Act*, or where his dairy farm fails to meet the requirements for building, equipment, operation, and herd health set out in *The Dairy Act* or regulations made under that Act;
- (d) where a registered producer delivers milk that does not meet the standard of acceptable milk as defined by an order or regulation of the Board;
- (e) where a registered producer has entered into a contract or agreement that would deprive him of his right to the proceeds from the marketing of milk produced by his dairy cows or to his right to the proceeds from the Monthly Quota Exchange system;
- (f) where a registered producer becomes insolvent or bankrupt or applies for a receiving order or has such an order made against it or takes any benefit from any Act for the time being in force for the relief of insolvent debtors, or if a receiver is appointed with respect to the facilities used by a registered producer; or
- (g) if the Board has reasonable grounds for believing that such action is in the interests of Manitoba producers and the milk industry.

PART 4

NON-TRANSFERABILITY OF DAILY QUOTA AND PROCEEDS

Quota belongs to the Board

12 Quotas belong to the Board.

Quota non-transferable by producer

13 No person shall

- (a) transfer, assign, or sell a daily quota to another person; or

Monthly quota exchange system proceeds not transferable

14 No person shall offer to assign or assign a payment or an entitlement to a payment or an anticipated payment to the receipt of proceeds from the Monthly Quota Exchange System to another person without the prior written consent of the Board.

PART 5

15(2) No person to whom a daily quota has been allotted shall market milk other than milk taken from dairy cows in or on a facility situate on the location that has been specified by the Board for the milking of his dairy cows.

15(3) No person to whom a daily quota has been allotted shall market milk except to the Board.

PART 6

GENERAL

Effect of sharing

16 Where two or more persons keep dairy cows in partnership, or in circumstances in which there is a sharing by them whether familial, communal, or otherwise, of facilities, equipment, labour or services provided directly or indirectly by all or any of them, or pursuant to a contract jointly or severally with the same corporation, firm, or individual, for the purpose of this Order, the milk marketed by one of those persons may be treated by the Board as having been marketed by the other or others.

Step-transactions prohibited

17 Notwithstanding anything contained in this Order, the Board may take appropriate action to prevent a person from acquiring control of, or acquiring a direct or indirect interest in daily quotas through a process:

- (a) that involves more than one application to the Board; or

(b) that does not disclose to the Board, in conjunction with an application to the Board for any re-allotment of a daily quota, particulars of all contemplated or proposed future transactions which may involve

- (i) a subsequent re-allotment of a daily quota,
- (ii) a future change in the legal or beneficial ownership of an entity, or
- (iii) an application to transfer a daily quota from one facility to another facility.

PART 7

CHANGES IN BENEFICIAL OWNERSHIP OF REGISTERED PRODUCERS

Definitions

18 In this part,

"controlling party" means a person who directly or indirectly is the legal or beneficial owner of an aggregate of more than 50% of any class of the issued shares of, assets of, or interest in an entity;

Transfers by a substantial holder

19 In the event all or part of the beneficial or legal ownership of an interest of a substantial holder in an entity that is a registered producer is transferred by the legal or beneficial owner of such interest, the Board may cancel or reduce the daily quota of such registered producer unless the parties to such transfer have requested in writing that the Board waive this provision and have each provided the Board, by Statutory Declaration and Certificate in a form acceptable to the Board, with full particulars of the proposed transfer, and any other information required by the Board with respect to the assets and liabilities of the entity at the effective date of such transfer, and the Board has in its discretion waived this provision either conditionally or unconditionally.

False or misleading information re transfers

21 In the event that the Board has reasonable grounds for believing that any information provided to it by Statutory Declaration or Certificate is false or misleading, or that any conditions established by the Board in waiving the provisions of section 19 or section 20 have not been met by the parties, the Board may cancel or reduce the daily quota of the registered producer whether or not the provisions of section 19 or section 20 have been previously waived by the Board.

Reduction of requirements re certain transfers

22 The Board may establish policies from time to time reducing its requirements under section 19

(a) with respect to the transfer of shares of a corporation

(i) from an individual to a member of his immediate family, or

(ii) listed on a public stock exchange unless 10% or more of the total outstanding shares of that class of the corporation are transferred, provided that this clause does not apply in respect of a series of transfers of shares within a period of eighteen (18) months by or to any one person that in the aggregate total 10% or more of the outstanding shares of that class of the corporation;

(b) with respect to a change in the beneficial or legal ownership of an interest in a partnership that is a registered producer where the legal or beneficial ownership of an interest in such partnership is transferred from an individual to a member of his immediate family; and

Association of registered producers

24 In the event that a registered producer becomes associated with another registered producer, the Board may cancel or reduce the daily quotas of such registered producers unless the registered producers have requested in writing that the Board waive this provision and have each provided the Board, by Statutory Declaration and Certificate in a form satisfactory to the Board, with full particulars of all persons having a direct or indirect interest in such registered producers and the Board has in its discretion waived this provision either conditionally or unconditionally.

False or misleading information re association

25 In the event that the Board has reasonable grounds for believing that any information provided to it by Statutory Declaration or Certificate is false or misleading, or that any conditions established by the Board in waiving the provisions of section 24 have not been met by the parties, the Board may cancel or reduce the daily quotas of the registered producers whether or not the provisions of section 24 have been previously waived by the Board.

PART 9

32(3) The applicants and recipients will each be required to provide a Statutory Declaration in a form acceptable to the Board setting out the information specified therein and in the event that the Board has reasonable grounds for believing that any information provided in such Statutory Declaration or an application is false or misleading, the Board may cancel or reduce the daily quota in question, whether or not such daily quota was re-allotted.

32(4) The Board shall not approve the re-allotment of a daily quota pursuant to the above provisions if such re-allotment would result in the balance of a daily quota retained by the applicant being less than 1 kilogram of butterfat per day unless all of the daily quota allotted to such applicant is re-allotted pursuant to the above provisions.

33(1) In the event two or more registered producers (the "applicants") wish to merge their dairy operations and carry on milk production and marketing activities at the dairy farm of one of them, the Board may, upon application of such applicants re-allot the daily quota allotted to such applicants to a corporation or partnership formed by the applicants to carry on milk production and marketing activities at such dairy farm on a merged basis.

33(2) The applicants and the corporation or partnership formed by them (the "recipient") will each be required to provide a Statutory Declaration in a form acceptable to the Board setting out the information specified therein, and in the event that the Board has reasonable grounds for believing that any information provided in such Statutory Declaration or any application is false or misleading, the Board may cancel or reduce the daily quotas in question, whether or not such daily quotas were re-allotted.

No assignment of payment

2 As stated in section 13 of the Order, no person shall offer to assign or assign a payment or an entitlement to a payment or an anticipated payment from a Monthly Quota Exchange System to another person without the prior written consent of the Board.

Participation by licensed cream producers

3 A licensed cream producer may participate in the Monthly Quota Exchange System and as such may submit a Bid or Offer.

For the purpose of dealing with a Bid submitted by a licensed cream producer, such Bid shall be submitted in the form of a Bid to be allotted daily quota. If the Bid is successful, the allocation to the licensed cream producer as a result of such Bid shall be the amount of the successful Bid, multiplied by the number of days in that dairy year, and such allocation shall be expressed in terms of unused market sharing quota for that dairy year.

For the purpose of dealing with an offer submitted by a licensed cream producer, such offer shall be submitted in the form of an Offer to cancel the deemed daily quota allotted to that licensed cream producer. If the Offer is successful, the allocation of that licensed cream producer to be cancelled shall be the amount of the successful Offer, multiplied by the number of days in that dairy year, and shall be expressed in terms of market sharing quota for a dairy year. The cancellation shall first be applied to the unused market sharing quota allocated to that licensed cream producer and secondly to the balance of the market sharing quota allocated to that licensed cream producer.

An Offer which would result in the remaining market sharing quota allocated to that offeror being reduced to a level below 300 kilograms of butterfat per dairy year shall not be accepted by the Designated Staff. Any offeror allotted a market sharing quota of 300 kilograms of butterfat per dairy year or less must offer to cancel the entire market sharing quota allotted to him to be eligible to be an offeror on the Monthly Quota Exchange System.

Monthly Quota Exchange Program procedures

8(1) Designated Staff may operate a Monthly Quota Exchange Program on the first regular business day following the last day of each calendar month. At least one bidder and at least one offeror will be required to operate a Monthly Quota Exchange Program.

8(2) Designated Staff may cancel, or may postpone for up to 7 days at any time, the operation of any Monthly Quota Exchange Program for any reason they deem advisable.

8(3) A person wishing to participate in a Monthly Quota Exchange Program must submit either an Offer or a Bid in writing, either by letter or telefax, in a form satisfactory to the Designated Staff to the Board's head office which must be received prior to 12:00 o'clock midnight of the last working day before the first of the calendar month.

8(4) Each Offer on a particular Monthly Quota Exchange Program must include the following information:

- (a) the amount of daily quota expressed in kilograms or 1/100 of kilograms of butterfat per day offered for cancellation;
- (b) the program payment, to the nearest cent per kilogram of butterfat per day, which the offeror is willing to accept upon cancellation of the quota offered for cancellation;
- (c) the date of the Monthly Quota Exchange Program (the month) to which the offer applies;

8(6) In the case of an omission or defect in a Bid or in an Offer, the Designated Staff shall not make any changes or additions to such Bid or Offer, and the Bid or Offer will be rejected. A member of the Designated Staff shall attempt to contact the bidder or the offeror and to advise him of such rejection. The fact that a Bid or Offer is rejected shall not preclude the bidder or offeror from submitting a subsequent Bid or Offer.

8(7) An Offer or a Bid may be amended or withdrawn, provided such withdrawal or amendment is in writing and in the form of a letter or telegram or a telefax sent by the bidder or the offeror, and is received by the Designated Staff at the head office of the Board prior to 12:00 o'clock midnight of the last working day before the first day of the month in which the Monthly Quota Exchange Program is to be held. Such withdrawal or amendment must be clear and unambiguous and must identify the bidder or offeror by name and producer registration number, where applicable, and must specify the Offer or the Bid that is to be withdrawn or amended.

8(8) Any Offer or Bid which is received after any deadline for submission for the program will be rejected by the Designated Staff.

8(9) As provided in section 35 of this Order, the Designated Staff may refuse to accept or may postpone the processing of any Bid or any Offer. The Designated Staff may require an offeror to provide proof of the consent of any secured creditor of the offeror to the submission of such Offer. Any decision to postpone the processing of a Bid or an Offer, or to reject a Bid or an Offer made by the Designated Staff shall be final. The Designated Staff may also establish terms and conditions before a Bid or an Offer will be processed in the future. Any person who is not satisfied with the terms and conditions established by the Designated Staff before a Bid or Offer will be processed in the future may appeal such decision in writing to Manitoba Milk Producers.

8(10) On Reallocation Day, the Designated Staff shall proceed to match as closely as possible the cumulative volume of daily quota, in an ascending order of amounts offered in the Offers with the cumulative volume of daily quota, in a descending order of amounts submitted in the Bids. This procedure shall be known as "clearing" a Monthly Quota Exchange Program. The Exchange Clearing Price (ECP) as determined by clearing a Monthly Quota Exchange Program shall be the least amount at which the cumulative volumes most closely match and shall be the amount of the program fee payable to Manitoba Milk Producers by a successful bidder and the amount of the program payment payable by Manitoba Milk Producers to a successful offeror under that Monthly Quota Exchange Program.

8(11) Subject to subsection 8(12) and to the acceptance of the results by the Board under subsection 8(14),

(a) if a bidder has submitted a Bid at an amount equal to, or higher than the Exchange Clearing Price on a Program then that Bid shall be deemed to be successful and the bidder shall pay to Manitoba Milk Producers an amount equal to the Exchange Clearing Price representing the full amount of the program fee payable by the bidder for the amount of daily quota bid on or before the last working day of the month for that Monthly Quota Exchange Program;

(b) if an offeror has submitted an Offer at an amount equal to, or lower than, the Exchange Clearing Price on a Program, then that offer shall be deemed to be successful and the offeror shall be entitled to receive from the Manitoba Milk Producers a program payment equal to the Exchange Clearing Price for the amount of daily quota offered for cancellation on or before the last working day of the month of that Monthly Quota Exchange Program.

The Designated Staff shall contact each successful bidder and advise the bidder of the amount to be paid to Manitoba Milk Producers on or before the last working day of the month of the Monthly Quota Exchange Program.

8(12) Upon the clearing of a Monthly Quota Exchange Program, if it is determined by the Designated Staff that, at the Exchange Clearing Price, the cumulative volume of daily quota in the Bids exceeds the cumulative volume of daily quota in the Offers, the Designated Staff shall add to the Monthly Quota Exchange Program on behalf of the Reserve, at the Exchange Clearing Price, an amount of daily quota sufficient to balance the amount offered and the amount bid; or, at the option of the Designated Staff, the successful bidders shall be deemed to have bid, at the Exchange Clearing Price, a percentage of their Bid, based on the ratio of the daily quota comprising the successful Offers to the daily quota comprising the successful Bids.

8(13) Upon the clearing of a Monthly Quota Exchange Program, if it is determined by the Designated Staff that, at the Exchange Clearing Price, the cumulative volume of daily quota in the Offers exceeds the cumulative volume of daily quota in the Bids, the Designated Staff may bid, on behalf of the Reserve, at the Exchange Clearing Price for any excess daily quota; or, at the option of the Designated Staff, the successful offerors shall be deemed to have offered, at the Exchange Clearing Price, a percentage of their Offer, based on the ratio of the daily quota comprising the successful Bids to the daily quota comprising the successful Offers.

8(14) Following the conduct of a Monthly Quota Exchange Program, the Designated Staff shall report to Manitoba Milk Producers the number of Bids received, the number of Offers received, the number of kilograms of butterfat per day and the amounts bid or offered in each Bid or Offer, together with the Exchange Clearing Price and particulars of the successful Bids and successful Offers. The Board will review such report and if satisfied, in its sole discretion, that there have been no irregularities or deficiencies in the operation of the Monthly Quota Exchange Program, Manitoba Milk Producers may pass a resolution to accept such results.

8(15) Following the acceptance of the result of a Monthly Quota Exchange Program, Manitoba Milk Producers will pass a resolution to allot daily quotas to successful bidders and to cancel daily quota of successful offerors in order to implement such results.

8(16) The allotment and cancellation of daily quotas will be effective as of the first day of the month following the month in which the Monthly Quota Exchange Program was conducted.

8(17) Following the Board's consideration of the results of a Monthly Quota Exchange Program, each participant in the Monthly Quota Exchange Program will be advised in writing by the Designated Staff whether his Offer or Bid was successful.

8(18) Failure by a bidder to pay the Exchange Clearing Price on or before the last working day of the month of a Monthly Quota Exchange Program shall entitle the Designated Staff to cancel the Bid whereupon that daily quota shall be credited to the Reserve. The Manitoba Milk Producers may offer to cancel any daily quota in the Reserve on a future Monthly Quota Exchange Program. Additionally, any failure by a bidder to pay the Exchange Clearing Price in accordance with the terms hereof shall be grounds to prohibit the bidder from participating in any subsequent Monthly Quota Exchange Program.

Limits on Bids and Offers

9(1) An Offer which would result in the remaining daily quota allocated to that offeror being reduced to a level below 1 kilogram of butterfat per day will be rejected by the Designated Staff. Any offeror allotted a daily quota of 1 kilogram of butterfat per day or less must offer to cancel all such daily quota to be eligible to be an offeror on a Monthly Quota Exchange Program. No Bid of less than one-tenth of a kilogram of butterfat per day will be processed.

9(2) More than one Bid and more than one Offer may be made on the same Monthly Quota Exchange Program by the same person.

A bidder shall not be allowed to be an offeror on the same Monthly Quota Exchange Program and neither the Bid nor the Offer will be processed.

Program fund

10(1) All program fees paid to Manitoba Milk Producers by successful bidders will be allocated to the Program Fund.

10(2) All program payments made by Manitoba Milk Producers to successful offerors will be paid from the Program Fund.

Information

11 Manitoba Milk Producers will forward to each registered producer in a form approved by the Manitoba Council, within 15 days following the acceptance of the results of a Monthly Quota Exchange Program by Manitoba Milk Producers, the results of such Program.
