Broiler Hatching Egg Administration Levy Regulation*

Regulation 46/2008
Registered March 3, 2008

Levy on broiler hatching eggs marketed

1(1) A levy is imposed on each broiler hatching egg producer of $0.0058 per broiler hatching egg marketed by the producer to a hatchery operator.

1(2) A levy imposed under subsection (1) is due and payable by the broiler hatching egg producer to the Board at the time and place of the marketing of the broiler hatching eggs by the producer.

1(3) A hatchery operator who receives broiler hatching eggs from a broiler hatching egg producer shall deduct from the monies payable for the eggs all levies payable by the producer to the Board and shall pay the amount of the levies to the Board at its office, not later than 14 days after the last day of the week in which the broiler hatching eggs are hatched.

Levy on broiler hatching eggs hatched

2(1) A levy is imposed on each broiler hatching egg producer of $0.0058 per broiler hatching egg used by the producer for hatching purposes.

2(2) A broiler hatching egg producer shall pay all levies imposed on the producer under subsection (1) to the Board at its office, not later than 14 days after the last day of the month in which the broiler hatching eggs are placed in an incubator.

* This regulation is made under the *Manitoba Chicken Broiler Producers Marketing Plan Regulation*, Manitoba Regulation 246/2004, and is Regulation No. 3(HE), 2007 of Manitoba Chicken Producers.

NOTE: This regulation replaces Manitoba Regulation 106/2007, which was repealed by Manitoba Regulation 52/2008.

All persons making use of this consolidation are reminded that it has no legislative sanction. Amendments have been inserted into the base regulation for convenience of reference only. The original regulation should be consulted for purposes of interpreting and applying the law. Only amending regulations which have come into force are consolidated. This regulation consolidates the following amendments: 139/2012.

Levy on chicks produced

3(1) A levy is hereby imposed on each hatchery operator of $0.00725 per chick produced by the hatchery operator, except chicks produced from broiler hatching eggs

(a) purchased from a broiler hatching egg producer; or

(b) produced by the hatchery operator in the hatchery operator's capacity as a broiler hatching egg producer if the levies imposed under section 2 with respect to such eggs are paid to the Board.

3(2) Levies imposed under subsection (1) must be paid to the Board at its office, not later than 14 days after the last day of the month in which the chicks are produced.
