Broiler Hatching Egg Administration Levy Regulation*

Regulation 97/2000
Registered July 20, 2000

Levy on eggs marketed

1(1) A levy is imposed on each broiler hatching egg producer of $0.006 per broiler hatching egg marketed by the producer to a hatchery operator.

1(2) A levy imposed under subsection (1) is due and payable by the producer to the commission at the time and place of the marketing of the broiler hatching eggs by the producer.

1(3) A hatchery operator who receives broiler hatching eggs from a producer shall deduct from the monies payable for the eggs all levies payable by the producer to the commission and shall pay the amount of the levies to the commission at its office, not later than 14 days after the last day of the week in which the broiler hatching eggs are hatched.

Levy on eggs hatched

2(1) A levy is imposed on each broiler hatching egg producer of $0.006 per broiler hatching egg used by the producer for hatching purposes.

2(2) A broiler hatching egg producer shall pay all levies imposed on the producer under subsection (1) to the Commission at its office, not later than 14 days after the last day of the month in which the broiler hatching eggs are placed in an incubator.

Levy on chicks produced

3(1) A levy is hereby imposed on each hatchery operator of $0.005 per chick produced by the hatchery operator except chicks produced from eggs

(a) purchased from a broiler hatching egg producer; or

(b) produced by the hatchery operator in the hatchery operator's capacity as a broiler hatching egg producer if the levies imposed under section 2 with respect to such eggs are paid to the commission.

*This regulation is made under the *Manitoba Broiler Hatching Egg Marketing Plan Regulation*, Manitoba Regulation 240/87 R, and is Regulation No. 1, 2000 of the Manitoba Broiler Hatching Egg Commission.

3(2) Levies imposed under subsection (1) shall be paid to the commission at its office, not later than 14 days after the last day of the month in which the chicks are produced.

Levy on chicks marketed

4(1) A levy is hereby imposed on each hatchery operator of $0.005 per chick marketed by the hatchery operator except chicks produced from eggs

(a) purchased from a broiler hatching egg producer; or

(b) produced by the hatchery operator if the levies imposed under section 3 with respect to such chicks are paid to the commission.

4(2) Levies imposed under subsection (1) shall be paid to the commission at its office, not later than 14 days after the last day of the month in which the chicks are produced.
