Dernière modification intégrée : R.M. 149/2007.

THE HIGHWAY TRAFFIC ACT (C.C.S.M. c. H60)

Traffic Control Device Order

Regulation 300/89
Registered December 19, 1989

Definitions

1 The following definitions apply in this Order.

"Manual of Uniform Traffic Control Devices for Canada, Third Edition" means the *Manual of Uniform Traffic Control Devices for Canada, Third Edition* (Metric Edition), published in January 1976, by the Roads and Transportation Association of Canada, as revised from time to time.

"Manual of Uniform Traffic Control Devices for Canada, Fourth Edition" means the *Manual of Uniform Traffic Control Devices for Canada, Fourth Edition*, published in September 1998, by the Transportation Association of Canada, as revised from time to time.

M.R. 149/2007

Traffic control devices approved

2 The following traffic control devices are approved for use in Manitoba:

(a) the traffic control device set out in section A2.26 of the *Manual of Uniform Traffic Control Devices for Canada, Third Edition*;

(b) the traffic control devices set out in the *Manual of Uniform Traffic Control Devices for Canada, Fourth Edition*, other than the devices set out in sections D2.4.1, D2.5.2, D2.5.3 and D2.10.4.

M.R. 149/2007

Prohibition

3 After coming into force of this regulation, no traffic authority shall install a traffic control device or replace an existing traffic control device with a device

(a) that does not conform with the design and dimensions of a traffic control device approved for use in Manitoba under section 2; or

(b) that is not approved for use in Manitoba under the *Traffic Control Devices Order*, Manitoba Regulation 264/88.

Repeal

4 Manitoba Regulation 108/86 is repealed.

December 12, 1989
